Student Life

'08-'09

North High School has faced numerous obstacles and changes this school year. With a new schedule, new administration and staff, and a new academy system, students have undergone many different changes. But through it all we have managed to survive and adapt to an ever-changing environment. As North Salem went through ANOTHER change in an academic school year, seniors this year are able to look forward to a new enviroment, new social surrounding and a brighter future. With the new academy system this year seniors weren't able to be escape unaffected through it all. All in all, this year was memorable for all.

What to wear, what to wear?

Monday: Get your SHINE on! Everyone is attracted to shiny, metallic clothing, but who is brave enough to wear it?

Tuesday: Rockstar Day
Rockstar Day gives everyone a chance to fullfill their dreams of being a freakin' rockstar. ROCK ON!!

Wednesday: '80s Day
The '80s was a generation of aerobic exercise videos and neon clothing. It gave birth to the Rubik's Cube, MTV, and the beginning of mainstream rap.

Thursday: Superhero Day
Did you know that a female superhero is called a superheroine and that most superheroes have a secret hide out?

Friday: Red and Black Day
North's tradition keeps on going with Vikings dressed in red and black on Fridays.

Believe it or not, seniors were actually kids once! Take a look at these seniors, all in different phases of life from newborn to elementary to middle school! Many seniors have undergone drastic changes since they were kids while others have hardly changed. Seniors have come a long way since their childhood and many will be beginning another phase of their life in the coming months. Unfortunately, nobody can travel back to their childhood; these photos are memories of simpler times!

Our cars have been a GREAT part of this year! Remembering all the funny memories and crazy things that have happened on just 4 wheels.

Miles of MEMORIES

NSHS cars are very different from the other schools' cars; we might not have the car of the year but I'm pretty sure we've got crazier stories.

Senior Jobs

Show me the money! Seniors this year needs some serious cash and the only way to get it, besides asking our parents is to work for it. Senior jobs this year comes in a variety of ranges from working at shopko to working at a gas station. We all hope for that pay day to come sooner. With all the money that we make we end up spending it on food, car, gas, and clothes. Working is so much fun, not! Lets just hope that our senior job is not our future job. Seniors work hard for their money.

SENIOR year for most seniors is their most memorable year ever! On June 5, 2009 most seniors walk onto the stage to get their diploma and finish their 13 years of education. While some are pursuing futher education, work, or moving from their life after high school most will remember their regrets, achievements, and accomplishments. Seniors this year have experienced some tremendous and most unforgettable adventures. These are just a few of their adventures and accomplishments.

Early Grads and Jumpstarting Juniors

Class of 09

I'M READY TO GRADUATE!

There are few students this year that have choosen to graduate early. Some are juniors and the rest are composed of mainly seniors. Once they have acquired their 22 credit requirements they are out the door. Some have choosen to graduate early to get a jump start on college, work, or their lives but whatever their reasons may be they are embarking on their journey into adulthood. Graduating early gives many students opportunity to pursue their future. Seniors that have graduated early will walk with have the chance to walk with their class along with any jumpstarting juniors. Good Luck to those that have choosen to graduate early. Early grads certainly know that the tassel is worth the hassle!

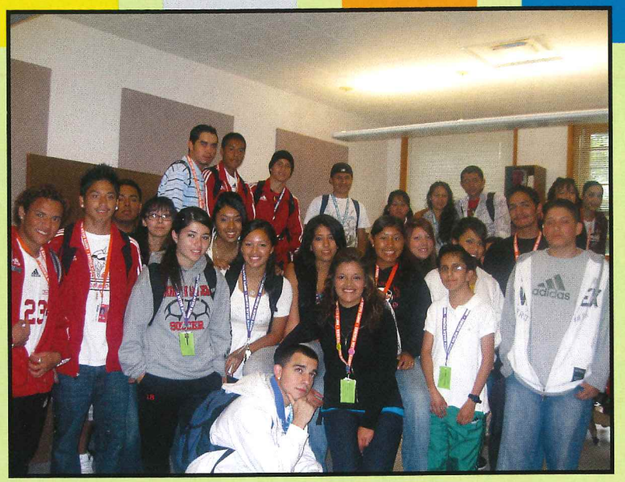
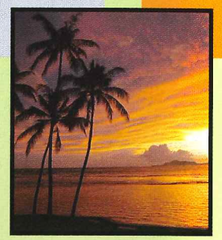
Clubs

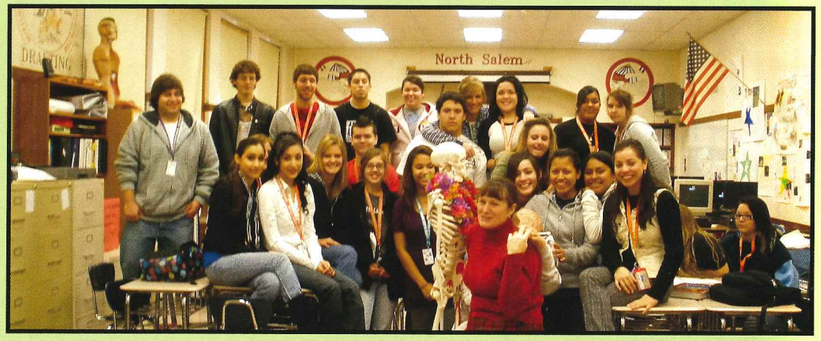


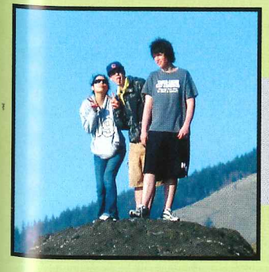
Clubs @ North

Students at North are very involved in their clubs! Many clubs at North like cancer crusaders, RAGE and G.S.A help raise awareness to issues like cancer, the effects of genocide, and equality for homosexuals. There are also foreign language clubs, art clubs, drama club,rotary interact, and senior club! Clubs are small communities within North, where students with similar interests can get together to make a difference or just have fun!

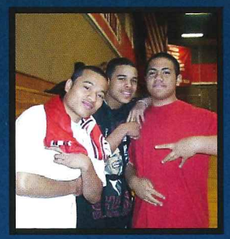
At North

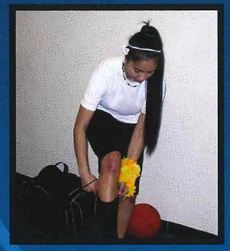


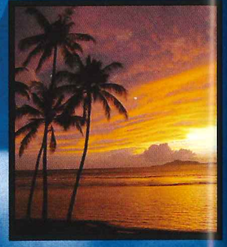




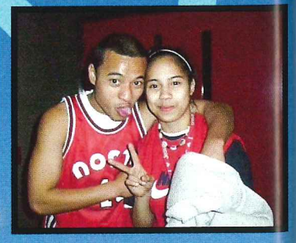
Islanders Club



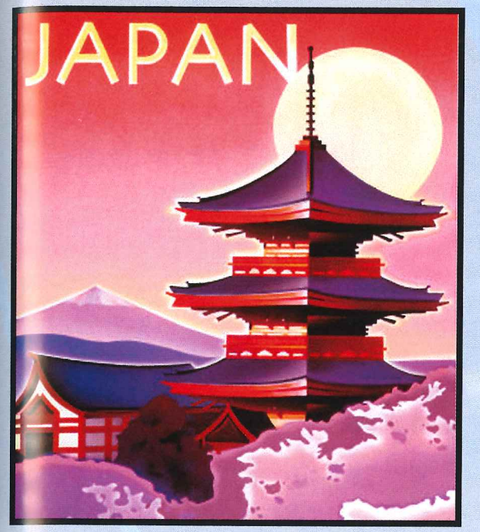




Teacher Advisor: Steve Keller
Islanders Club is a way for students from different islands to unite. Students from different ethnic backgrounds come together to plan events, assemblies, and competitons with other schools within the community. They represent one of many different ethnicities at North. Islanders club is open to anyone who has an interest to join.

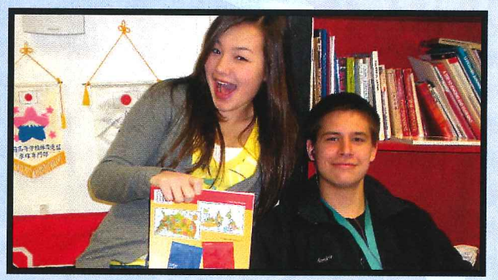


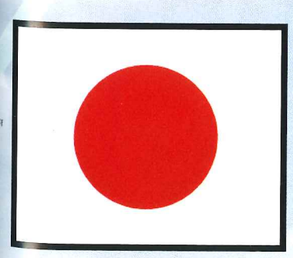
Japanese Club

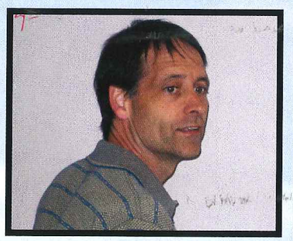


Japanese club is a place where students can gather to learning all the history, culture, and heritage of Japan. At Japanese club students are able to meet with one another and talk about their interests. Japan club has the ability to bring all students that has interest towards Japan together. Japanese club is open to everyone.

Advisor: Jeff Flood







Drama Club

In drama club students meet to discuss upcoming plays, organize play productions, and talk about fundraisers and upcoming events. At drama club students are able to participate in several acting games and make new friends.

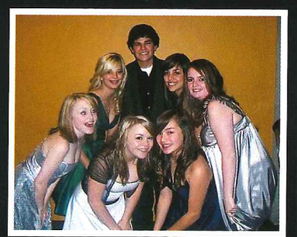
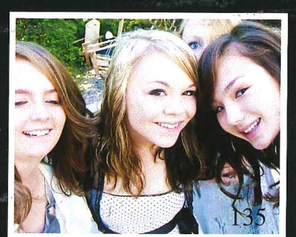
Rotary Interact is a service club sponsored by the local Rotary club. Interact gives students an opportunity to participate in fun, meaningful service projects while developing leadership skills. Interact is an international organization that fosters responsible citizenship and promotes international understanding and peace.

Advisor: Nicole Hagel

President: Theoren Ryan

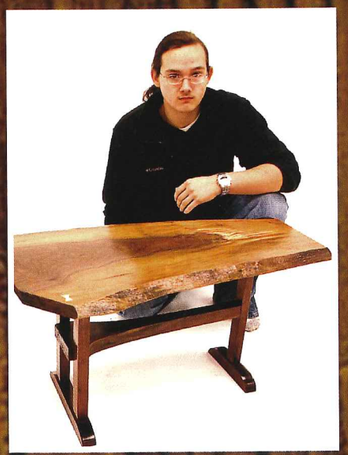


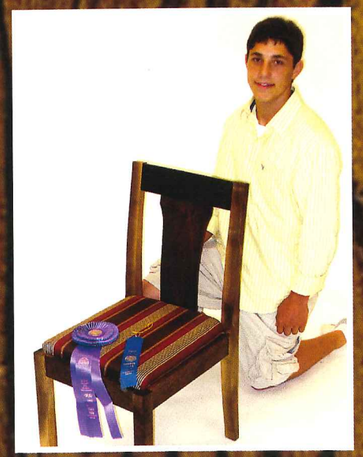


Wood Unlimited

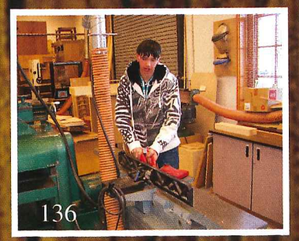
Where Technology Meets Tradition

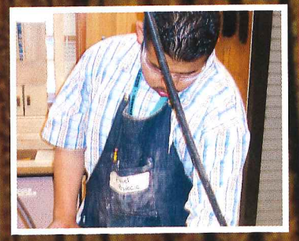
Students at North have a unique opportunity to learn a wide variety of woodworking skills. During four separate courses, students start with simple plywood shelves and cabinets, and end with major furniture pieces often included in national shows. North is part of a national organization called WoodLINKS that networks them with schools and businesses around the country to prepare students for woodworking occupations.

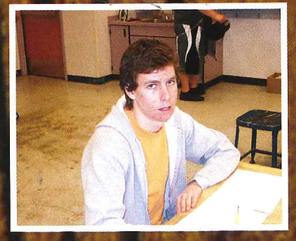




Wood LINKS







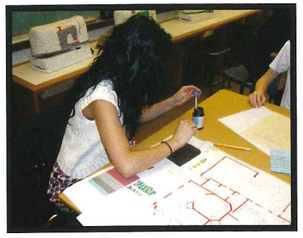
JROTC

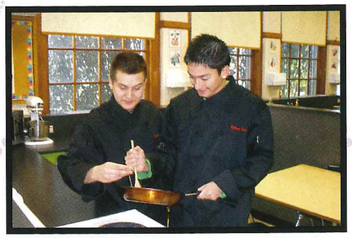
(Advisors: Morse and Certain) Junior Reserve Officer Training Corps help prepare students for success after high school by learning to be leaders and responsible citizens and they enjoy exciting, fun activities along the way! The class stresses a positive transition to the demands of high school, leadership, acquiring the keys to academic success, and the basics of leadership. Other areas of emphasis include citizenship, foundations for success after high school, physical fitness, and service learning. JROTC students also participate in a variety of outside activities, teams, and service projects, including competitive drill, air rifle, and physical fitness teams, color guard, a week-long leadership camp each spring, a formal dinner dance, and more.

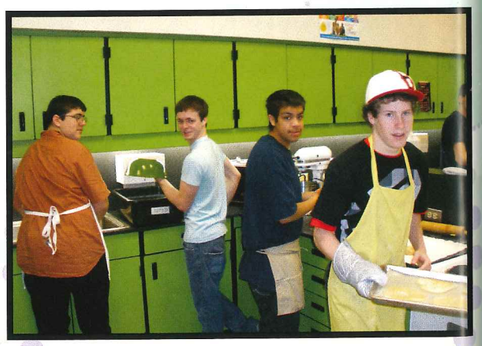
Pro-Start

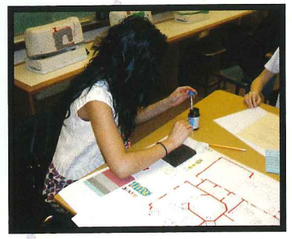
Advisor: Maryann Davis

Pro-start classes are upper level culinary classes that do catering for the Parent-Teacher conferences, sport banquets, and the community. They are able to compete in cooking competitions against other schools. Pro-start educates students about food safety, how to cook, and the food industry. Pro-start is able to allow students to get internships and work experiences within the food industry. It is a highly hands on and interactive class and club.









Peace Club

The main idea of Peace Club is to learn about global issues, work to make the world & our community a better place, help people out, and to have fun together. We are based on the ideas of equality, so instead of having leaders who are superior to others, we have 'gurus' who are in charge of specific tasks.

We have 3 major campaigns: counter-recruitment, anti-sweatshop, and anti-styrofoam/disposable plates/silverware in the cafeteria.

Members include:
